Creating and Enriching Community through People, Programs and Partnerships

June 25, 2015

CONGRATULATIONS TO OUR NEW TORRANCE DANCE AND DRILL TEAM MEMBERS!!

I know you are all interested in the results of the auditions on Friday. I would like to say, that never having gone through this process before, I was very impressed with the professionalism of the process, the poise and maturity of the team members auditioning, and the courage I saw in each individual to try for something that you want. No matter if you received the results that you wanted or not, know that you are all winners for trying. No one gets everything they want in life and these experiences help build endurance, self confidence and strength in character. The following information is the results of the judging panel.

Note: If you have the word “trial” next to your number, you will be placed on a trial period for summer. If you do not grow within the direction required for the vision and expectation of that team, you will not continue on that team in the fall. There will be a meeting for those dancers and parents who are on a trial period to understand the requirements. Please remember to register for your summer workshop classes now. Classes will be cancelled if minimum enrollment is not achieved. **You may register by calling 310-618-2720 or www.TorranceCA.Gov/9087.htm.** Solos, Duets and Trios are optional. TDDT Boosters do not pay for those competition fees; families do.

Janene Ferguson
 Cultural Services Supervisor
